

Student Support

We carry out a holistic plan emphasising on the development of positive values, attitudes, self-management and integration into Hong Kong community

Programmes and activities to cater for students' personal development and social needs.

- Junior forms: S1 Bridging programme, IM lessons, S3 subject selection workshops, life planning workshops.
- Senior forms: leadership training programme, career talks, life planning workshops, mock release of HKDSE results, job interview skills workshop, workplace visits.
- GP Family: to promote and enhance mutual support and encouragement among students and teachers. 2 to 3 S1 students and 1 S5 student will be assigned as each teacher's family.
- House: Each student belongs to a House to promote a sense of belonging and sportsmanship among our students. They compete in different competitions to become the best House.
- IM (Immersion Scheme) aims to promote harmony among students from different ethnic groups. The program fosters students' positive moral value by letting them engage in team building activities.
