- ❖ Got to look through many miniature models

ere

WHAT DID WE
LEARN?

WHAT WE LEARNT THROUGH THIS EXPERIENCE:

- ❖ Mainland China is a really beautiful place, one which cherishes both their history and youth.
- ❖ The Greater Bay Area has had increasingly positive effects on the youth as it allows them to contribute back to society.
- ❖ Technological advancements in China are far ahead of their time and its aim to help many people.
- ❖ A strong part of China is its culture and identity.

HERE IS A VIDEO OF US!

THANKS!
